

How do I access the kitchen?

A staff member from The Maples will be present to let you into the kitchen and to lock up after you leave.

What happens if I need more time or don't use all the hours?

You are required to have cleaned up and be out of the Kitchen at the end of your reserved time. If you are not, your deposit will be forfeited. Hours cannot be credited, it is important that you plan your time accordingly.

Do I have to clean up?

Yes, you should leave the kitchen looking the way it was when you came in. Please wash any dishes you may use, wipe down counters and/or equipment and pick up/sweep/wipe anything off the floors. A cleanup expectation checklist will be given and posted in the Kitchen to serve as a reminder.

How do I get my deposit refund?

Your deposit will be returned when you notify us that you will no longer be renting the kitchen.

What is your cancellation policy?

You must notify us directly at (530) 379-3681 or kitchen@themapleswoodland.com if you need to cancel your reservation. Any cancellation within two days of your reservation is subject to a \$50 cancellation fee. If a reservation is cancelled 7 days before the rental date, you will get a full refund, anything after the 7-day period is subject to the non-refundable 30% reservation fee.
